

**You'll raise awareness.**

**You'll impact lives through a single event...and laugh along the way.**

**Spirit Celebration**  
WITH HEATHER PICK

***What is Spirit Celebration?***

- A unique event designed to raise awareness of the valuable services offered by your Columbus Cancer Clinic, a LifeCare Alliance program. These include services such as: home care support, medical supplies and medication assistance, equipment, emergency financial assistance, wigs, prostheses, food pantry, Mammograms, PSAs and other screening services.
- The evening will be hosted by Heather Pick, WBNS-10TV anchor.
- Nearly 600 attendees will be engaged in lively conversation at tables each hosted by some of our community's most captivating and well-known personalities. Guests will be entertained by comedians, browse a silent auction, enjoy a festive dinner with some fun surprises, and participate in a live auction.
- ***Spirit Celebration*** raises awareness of the vital, low cost or no-cost services offered by the Clinic, and most importantly the event raises the essential funding to insure these programs remain low-cost for central Ohio cancer patients.
- Last year the ***Spirit Celebration*** raised over \$100,000, *the goal for 2008 is to raise \$175,000* and we can get there with your support.
